Click on "Add additional unit" and then reduce your guests to 1

The screenshot shows a booking interface with a green header bar. At the top, there are two dropdown menus: one for dates (17 Oct 2025 → 19 Oct 2025) and one for guests (2 Units, 5 Guests). Below the header, there is a modal titled "Select Number Of Guests" with a close button (X). The modal contains two sections for "Unit 1" and "Unit 2". Each section has fields for "Adults" (with minus and plus buttons and a value of 2), "Children" (with minus and plus buttons and a value of 2), and "Child Age" (with a dropdown menu showing 14 and 15). Below the modal, there is a button labeled "Add additional unit" and a green button labeled "Search".

Scroll down to find the Astronomers Fee selection available for your stay and select the number of adults or children you wish to add.

Astronomers Fee - Adult

This is a fee covering the astronomers time and expenses. Without this payment a pitch is not fully reserved.
