

URGENT INFORMATION - ROAD CLOSURE AFFECTING YOUR ARRIVAL OR DEPARTURE. PLEASE TAKE NOTE.

There is a total road closure on the approach to Kielder. You will need to take a detour well in advance of the closure. If not you will be inconvenienced far more than you need be.

The road closure official notice can be found using the link below.

The diversion needs to be addressed prior to setting off, see the recommended route below via Google Maps. To access the route open google maps, then copy and paste the link into your address bar.

This diversion may add considerable time to your journey so ensure you plan ahead. We have started our route from Hexham, you may need to do a little more research if your journey is any different. Wherever you travel from you must enter Kielder via the North....Scotland.

If you are approaching along the M6, there are no issues [North or South approaching] The recommended route is to turn off at J44, head towards the A7 signposted

We hope this is helpful
